GREENWOOD SCHOOL REPORT, 1923-24

*To the Superintending School Committee and Citizens of
Greenwood:*

Sheds with toilets to comply with the state law have been rebuilt at Greenwood City and Tubbs. Four school buildings have received paint. Richardson, Patch Mountain, and Shadagee, remain to be modernized. Two should receive attention during the coming year. It is necessary to acquire more land at Tubbs. A part of the new shed is on borrowed land. Enough should be bought to bring the lot to one-half an acre.

The school in the Irish district late in the fall dropped in attendance to two pupils. The winter term was cut short and opportunity given the children to attend school elsewhere. The school will reopen in the spring or when pupils get back.

Common School funds have suffered loss in several ways during the past year. The rate of taxation for schools and for other municipal purposes was so low in 1923 that the town dropped out of the class receiving special aid from the State Equalization Fund, in 1923, which had been \$230. The State School Fund was cut down to the extent of \$100,000 in a new scheme of bookkeeping, and Greenwood's loss in this way was nearly \$150. A considerable increase in the appropriation for this account will be necessary.

The number of students in high schools is on the increase again, and a larger appropriation for High School Tuition will be needed.

To keep on with the improvements in school buildings the same amount should be raised for repairs as last year.

We have a good corps of teachers and they seem to be staying with us this year. We are very fortunate in being able to retain five of last year's list.

Recommendations, School Accounts, and Statistics will follow.

I wish to thank you all for hearty co-operation during the past year.

Respectfully submitted,

F. E. RUSSELL,
Superintendent of Schools.

RECOMMENDATIONS

We recommend that the following amounts be raised by taxation for the support of schools for the coming year :

| High School Tuition, | 300.00 |
| Text-books, | 150.00 |
| Supplies, | 100.00 |
| Repairs, | 900.00 |
| Lot at Tubbs, | 25.00 |
